Dear members of CALS Social Sciences Research Honors Thesis Committee:

This is to confirm that I, Daniela Scur, supervised Vansh Gupta's undergraduate research thesis in the social sciences, as a member of the faculty.

Over the past eight months, I have provided Vansh with feedback on his thesis and have seen him present it in our research group meeting. It is an excellent piece of work and better than many masters thesis I have supervised. It is definitely ready for submission.

Please let me know if there are any questions or concerns.

Best,
